Today was my birthday, My mother and I went to the cinema in the afternoon. We went there and watched my favourite cartoon "super Joe" as my birthday present. I was excited but finally I had a bad experience.

We arrived at the cinema at 2:00p.m. There were lots of people there. I could see some people were chatting with their friends and family. Some children wore "Super Joe" and customers were running around. There was a long queue in front of the box office. We waited for a long time. I felt upset.

After buying tickets, we went to the snack bar. There were no people there. I could buy my snack quickly. My mother and I bought a tub of popcorn and two soft drinks. I was very happy.

After we bought snacks, we went into house 5. We sat down on the sofa and watched the movie, it was interesting. I started eating popcorn and drank soft drinks. It was great. Suddenly, I had a stomach ache. It was a great pain. I told my mum. We left the cinema and went to a clinic. The doctor said I got sick because of bad eating habits. I did not wash my hands before eating. Poor me! I could not finish "Super Joe" in the cinema. I learned a lesson today. From now on, I must wash my hands before eating.
