

## An outing with my family

(4A Li Shing Lam Steven)

It was a sunny day last Saturday. The weather was wonderful. I went on an outing with my family. We took a tour bus to Sai Kung Country Park.

When we arrived, we cleaned a wooden table and put all of the picnic food on it.

My sister Dora wanted to play and she said, 'let's play tag.' Dora and I were playing tag while Mum and Dad were preparing the barbecue. We were very happy.

Suddenly, the sky turned grey. It was about to rain. Dad didn't bring an umbrella, so we ran to the car and stayed inside. We did not get wet. Luckily, the rain stopped. And we enjoyed the barbecue again.

This story tells us that when we have a problem, we must think a plan to solve it. Then the problem will be completely solved.
