Lovely pet

My pets are turtles. Their names are Papa and Spiderman. These two turtles were given to me by my kindergarten teacher. They were very small, but now they have grown a lot. They are hibernating.

I am looking forward to the coming of spring, and playing with them again.

Lovely pet

I like my fish. Its colour is orange. It always swims around in the fish tank. I like to feed my fish and look at it swimming.

It is so cute and pretty. Maybe I can buy few more fish so they can swim together.
