My favourite job is petkeeper. When the pet's master doesn't have time to take care of the pet, they bring the babies to the petkeepers to take care of them.

Why do I love this job so much? Because I don't need to buy the pets, and the cubs will be very happy.

So, when I grow up, what will I be? Yes, I will be a petkeeper or maybe a zookeeper, because they can take care of animals like wild animals and pets; such as dogs, cats, hippos, hamsters, and of course my favourite pet, Toothless, the little sweet love bird etc., and because just I love animals.
