

My favourite season

(2D Xie Shang Yi, Cindy)

Date: 26th April, 2021 (Monday)

My favourite season is autumn. The weather is usually cool and windy.

In autumn, I like flying kites at the park. I usually go to fly kites with my brother and dad. I wear a jacket and jeans to go there.

I also go hiking at the mountains. I usually go hiking with my mum and dad. I wear a cap and a jacket to go there.

I feel excited in autumn because I like to fly kites. I like autumn very much!
