by 3B Hung Nga Ling, Alice (6)

Just when they were troubled, their aunt suddenly came. Tom and Amy said "Why is auntie here?"

Their aunt said, "Let me pay it for you."

The aunt helped them pay for it and they thanked her immediately.

After buying the dress, they went to find their mom and gave it to her. They said, "Happy birthday, mom!"

Mom said, "Thank you!" She thought today was a happy day.
