by 3C Yeung Man Hei, Kelly (18)

It is the 10th of May today. Amy and Tom are at home. They look at the calendar. Amy says, 'Today is Mum's birthday.' Tom says, 'Let's buy a gift for her.' They go to buy a birthday gift for their mum. They feel excited.

Then they go shopping in the shopping centre. They go to the clothes shop. They want to buy a dress for their mum. Amy asks, 'How much is this dress?' The shopkeeper says, 'It's seventy dollars.' Oh! Amy and Tom have fifty dollars only. They do not have enough money. They feel sad and disappointed.

In the end, Amy has an idea. She says, 'Let's buy a birthday cake for Mum, instead!' Tom says, 'Good idea!' They go to a bakery and buy a chocolate cake. The cake is fifty dollars only. Then they go home happily. They give Mum the birthday cake. Amy says, 'Happy birthday, Mum!' Everyone feels happy and eats the cake together.
