

What did you do last week?

My name is Tsang Kai Hin, Tommy. I am a helpful boy. Last week, I helped many people.

Last Monday morning, I helped my mum with the housework. I swept the floor at home. I felt happy.

After cleaning, I went back to school. In class, I helped the teacher wipe the blackboard and shared the teacher's exhaustion of teaching which made the class proceed smoothly.

At three o'clock in the afternoon, I took the subway home. While taking the public transportation, I gave up my seat to an old woman because my teacher taught us that kindness is a virtue. I felt full of positive energy.

Last Sunday, my good friend and I went to clean the beach together. We were very satisfied because the ocean would become cleaner.
